Sacrifice 600 Summer Suits

Delay in getting into our new store and purchasing more than double our usual stock of summer suits—we find we have entirely too many suits. We have gone through our stock carefully and selected suits that belonged to the old Bazaar stock and other suits where we have an excess of regular stock.

These are summer weight, two and three-piece suits—skeleton and lined. There are only one or two of a kind—and sizes range from 33 to 44.

However, our strongest argument is the suits themselves. They are now on display in our show windows.

Two Lots Are Offered As Follows:

Lot 1--Suits that sold formerly at \$15.00, \$20.00, and \$22.50; on sale tomorrow and as long as they last---

\$7.50

Lot 2--Suits that sold formerly at \$10.00 and \$13.50; on sale tomorrow and as long as they last---

\$5.00

MORENCI MAKES A REPLY TO CLIFTON

Manager of Morenci Team Says Morenci Has Been More Than Square.

C. E. Tyler, manager of the Morenci ball team, makes exception to L. H. Crawford's article from Clifton on the Morenci-Clifton ball series. He writes in part:

I note in the issue of your paper of May 25, the write up of the game between Clifton and Morenci. Morenci has played in Clifton for expenses amounting to \$10 for the past 20 years and now that Morenci has put in a ball park that is a credit to any town of 50,000 population, it is no wonder that the fans of Clifton wish to visit Morenci on some excursion day for the purpose of seeing baseball played on a baseball diamond.

Clifton has profited at Morenci's expense for three long years and it appears that Clifton would have some consideration for a sister town. Morenci has not canceled a game with Clifton to my knowledge, which I think the Clifton management will admit. The schedule as arranged in Riebee was to be eight Sunday games between the two towns before they went away from home then Saturday and Sunday games were to be played throughout, but Clifton asked for a Saturday game three weeks ago, which was granted by Morenci.

When Clifton asked for a return Saturday game, Morenci stated that they could not draw a crowd owing to the mines and stores working from which the Morenci club must look for its attendance, but Morenci agreed to play again in Clifton, provided Clifton pay the expenses of Morenci, Clifton took the game. Consequently two games were arranged for Sunday, one in the morning and one in the afternoon, which would have been played as arranged only for the heads of the two towns wanting to run an excursion to Clifton in the afternoon.

The Morenci management knew nothing of the proposed change until notified Friday morning and immediately took same up with the management of Clifton, stating that we were willing to do as they wished. Later we were notified by long distance phone that Clifton wanted the excursion and would play one game. The former arrangements were canceled and the train chartered on very short notice. I happen to know that there were not three who went on the excursion who did not go to the ball game.

Clifton could well afford to play several seasons and supply half of support in appreciation of what Morenci has done for her in the past.

Morenci has never refused to play a Saturday game in Clifton, consequently there should be no forfeit of any nature from Morenci.

There will be no attempt to play off any back games by Morenci as she stands ready to back up her arrangements at any and all times. The Morenci management did not ask for a change from any part of the schedule as arranged and does not want the public to be misinformed.

Morenci has not taken advantage of Clifton as to games played, and think that we have been very lenient as we allowed Clifton to furnish its own umpire and have abided by the umpire's decisions until, after losing two games under unsatisfactory circumstances, we complained and asked for an umpire from both places, as balls and strikes all looked alike and the complaint was mutual from both places.

It is the general opinion that Morenci has the best of the two teams. At the time of canceling the morning game Sunday, Morenci did not know anything of Clifton's and Mason's leaving.

WITH THE TWO BIG FIGHTERS AND TRAINERS

Ben Lomond, Cal., May 27.—A jaunt on the road was the extent of Jeffries' Thursday work. There was no boxing. Big Jeff had planned to box six rounds, but he did not awaken from his slumber until 4 o'clock and then he announced that further exertions would be postponed until today.

Most of Jeffries' work was done early today, so that he can leave Ben Lomond on the afternoon train for San Francisco, where he will give an exhibition boxing show. Trainer Cornell, Joe Chynski and Jack Jeffries will accompany him. It is possible that James J. Corbett will arrive in time to join Jeffries at the pavilion.

Training Offer Declined. An offer was received yesterday from Jack Munroe to join the forces and assist in putting the former champion into shape. Munroe is the Butte miner, who, after an exhibition match with the champion in the Montana city, met Jeffries in San Francisco for the world's championship and was knocked out in the second round.

The letter in which Munroe volunteers, was written in the examiner's home on the Boulevard Islands, Cape Breton, Nova Scotia. Munroe is so anxious to help that he agrees to pay his own railroad fare and defray all of his own expenses while in the Jeffries camp.

Manager Sam Berger replied to the letter, expressing thanks, but declining Munroe's assistance.

Johnson Working But Little. San Francisco, Cal., May 27.—It was as calm around the Johnson camp yesterday afternoon as it was, the day before. Johnson was out for an automobile ride, was the information given to those who wanted to see him. He was on the road in the forenoon as usual, grinding out 12 miles of fast work in company with Tom Flanagan and George Cotton.

Marty Cutler has decided that he has had quite a sufficiency of the road work game. Cutler says it is because his feet are in poor shape, but Doc Furey is authority for the announcement that Cutler does not want any more running.

Today will be another lazy day unless there is a change in the program, Johnson is on the road this morning, but will not go into the gymnasium until Saturday.

SPORTLETS. By Tim.

Johnson went automobilizing and Jeffries went to sleep. Read dispatches for harrowing details.

Clarence says: "I would go to the fight if I had the money, could get a vacation, and didn't belong to the Sunday school." Aw, cheer up Clarence! It might be worse.

"Now you'll see some fun when Corbett and I get started boxing,"—Jim Jeffries. But supposing the "gent pug" should come back. Now, stop!

"I'm not going to beat Jim Jeffries with any rabbit foot or other kind of charm. I'll beat him just because I am a better man than he is and that will be enough. No, I'm not afraid of it, the No. 12 rooms in the world,"—Jack Johnson. They say he said it, it is alleged. And it is not for us to doubt.

It was awful what Vernon did to Portland in Thursday's game at Los Angeles. The Californians played an errorless game and landed two home runs. It was all but a shut out.

In a red hot game, as games go, Clovis won at Roswell Thursday. Bruggeman struck out nine men, but Wallace fanned 14 Roswellites. Impolite!

Crack bowlers will contest on Washington.

What Benjamin SAYS

A clown in the club is all right if he has the playing ability. But a cutup who cannot come through is worse than worthless.

"ALCO SYSTEM" CLOTHES
are the highest ideal of the tailors art. They are garments of character, individuality and true worth. The models are always graceful and becoming. "ALCO" Clothes fit and feel comfortable from first to last. A permanent shape is tailored into them at the factory and no amount of hard wear will knock it out. They are made of excellent quality fabrics in all the season's most approved colorings and patterns.
You can pay more for a suit than we would charge you for an "ALCO" suit, and you can pay less, but, considering quality, wear, workmanship, material and fit you cannot buy a suit that has all these features so carefully worked out for the price of our "ALCO" suits.
We stand ready to prove this to you any time you say. Just come in and try on an "ALCO" suit.

A wild toss by Hawkins lost for Des Moines, by gum. It was a double play attempt and brought in two runs for Lincoln in Thursday's game.

Jack Monroes has been knocked out again, but this time it was Sam Berger who did it. Jack didn't even last two rounds. Cruel!

Harry Wheeler, a St. Louis, once center star for the Carlsbad Indians, is hashing it in a Spokane restaurant. Such a fall!

Isbell of Wichita made a home run with two men on bases, but Denver had too long a lead, and won Thursday's game for all that.

Although San Francisco had a 2 to 0 lead up to the seventh Thursday, the game was won by Los Angeles, 5 and 2.

Sort of surprise, eh? Rip Hagerman, until recently with the Louisville club, has been signed with Lincoln and will occupy the box. Rip is a rip snorter, they say.

Beals Wright of Boston, who dazzled the tennis world five years ago, has recovered from a year's illness.

ORNDORFF SAYS JOHNSON IS A FIGHTING MACHINE

Burt Orndorff is back from a vacation trip to Long Beach, where his family is spending the summer. Burt says that the coast has gone prize fight crazy and that in Los Angeles the streets are blockaded with crowds looking in store windows where pictures of the two heavyweights are on display. Mr. Orndorff saw Johnson at his training quarters at Seal Rock house and says he looks like a fighting machine.

UNIVERSITY BOAT CREW IS SWAMPED; A RECORD MADE

Seattle, Wash., May 27.—The Stanford University boat was swamped by the rough water of Lake Washington here Tuesday when only half the three mile course had been covered and the University of Washington finished alone, winning the Pacific coast eight-oared championship, in the fast time of 18:22.98. This is a record.

WINS SHOOTING PRIZE.

Des Moines, Ia., May 27.—J. E. Dickey of Davenport, comparatively unknown to the shooting fraternity, won the banner event in the western handicap shoot here yesterday afternoon. As winner of the western handicap, Mr. Dickey received first money and the championship trophy. He broke 96 out of a possible 100 targets, and shot from the 16 yard line.
